Bischöfliche Weingüter DOM Riesling Off-dry, Qualitätswein 2022

GBW0032022

Bischöfliche Weingüter Trier

— Mosel, Germany

Benchmark Mosel Riesling in a very attractive, easy-to-drink off-dry style.

Production

Grapes are grown in the steep, slatey soils of the Mosel, Saar and Ruwer. After careful picking and selection, the grapes are fermented in 1000L oak Fuder and stainless steel tanks - blended later to add complexity. The wine rests on its fine lees for a few months before bottling.

Tasting note

Attractive citrus and floral aromas with elegant, bright Riesling fruit on the palate, in a pleasing, off-dry style and a perfect balance of sweet, ripe fruit and acidity.

Grilled and smoked fish, or pork dishes.
