Le Clos du Serres Saint-Jean, AOP Terrasses du Larzac [Organic] 2022

FCS0112022

Le Clos du Serres

— Languedoc, France

A wine blended as the best expression of the region. Powerful and intense yes, but with incredible freshness and poise.

Production

Each plot from heights of around 200m is vinified separately, aged in large concrete tanks for 8 months before a careful blending to retain freshness and a cool heart in the finished wine.

Tasting note

The common Clos du Serres threads are on show here - an elegant milk chocolate centre with poised and elegant dark fruits. No oak and very clever winemaking result in beautifully silky tannins.

Food Match

There might not be any oak here but there;s still a hell of a lot of power. A saddle of Venison if you're feeling posh, bangers and mash if you're one of us.
