Château Pineraie Cahors Cuvée Authentique, AOP Cahors 2022

FSW1602022

Château Pineraie

— South West France, France

The vineyards for the Athentique from Pineraie lie on the highest terraces of the lot.

Production

5 hectares of sustainably-managed vines averaging 60 years' age, the oldest of which were planted in 1920. These old vines, combined with the gravelly and siliceous sandy clay soils contribute a great deal of character to this hefty wine. Green harvesting and thinning help to lower yields to 30hl/ha. The resulting crop is fermented at 30 degrees and vatted for a month before ageing in oak casks for 18 months, 60 - 70% of which is new oak.

Tasting note

Beautiful, inky, dark cherry in colour, this more premium malbec from Chteau Pineraie offers rich dark fruits and garrigue herbs. Characterful on the palate and full of bramble fruit, it is medium bodied with fine, smooth tannins and subtle oak on the finish.

Food Match

Game meats and dishes with some subtle spice.

ABV:
13.50%

Case/Bottle Size:
6x 75cl

Closure:
Cork

Category:
Sustainable

Appellation:
AOP Cahors

Grape Varieties:
Malbec 100%

Suitable for:
Vegan
