Weingut Messmer Grauburgunder Trocken, VDP.Gutswein [Organic] 2022

GME0102022

Weingut Messmer

— Pfalz, Germany

A fascinating, textured Pinot Gris from Messmer's shell-limestone Schlossgarten vineyard.

Production

The grapes are sourced from Grauburgunder vines planted in the limestone and shell-bearing limestone (Muschelkalk) of the Burweiler Castle Garden vineyard (Schlossgarten). Here the grapes ripen thoroughly, and the vines form deep, strong roots. The limestone provides good drainage and can impart lightly exotic notes to the wines. The wine is fermented and refined in stainless steel.

Tasting note

Aromas of apple and stone fruit with lightly herbal notes. The palate has good weight and a mineral backbone, with notes of white peach, refreshing acidity and a touch of white spice on the finish.

Food Match

Perfect matched with summer salads and simple fish dishes.

ABV:
12.50%

Case/Bottle Size:
6x 75cl
