Terrazze della Luna Marzemino, Trentino DOC 2023

ICV0652023

Cavit

— Trentino, Italy

This variety, indigenous to Trentino, is fresh and elegant with bright sour cherry fruit and herbal notes, sometimes reminiscent of Cabernet Franc. Perfect for those looking for lighter, juicier reds.

Production

The indigenous Marzemino grapes are selected from the best sites in the hills around Isera, and near Mori, Volano and Nomi in the Vallagarina valley. After hand-harvesting the grapes are macerated on the skins for 6-7 days, undergo fermentation, and spend 6-8 months in stainless steel before bottling.

Tasting note

Vibrant cranberry and wild strawberry aromas with floral notes. The palate has juicy red cherry and raspberry fruit with a leafy, lightly herbal character, soft tannins and refreshing acidity.

Food Match

Great with grilled meat from the barbecue, even served lightly chilled if you wish.
