Pierre Chainier Rosé d'Anjou, AOP Rosé d'Anjou 2024

FPC0252024

Pierre Chainier

— Loire, France

A genuinely enjoyable medium-dry rosé from Anjou.

Production

Sourced from classic Loire grape varieties, Grolleau and Gamay, grown on very typical terroirs of clay and sand (silica). The wine is fermented in temperature controlled stainless steel tanks to preserve its bright, fragrant fruit before being bottled in the March after harvest.

Tasting note

Pale dusty pink in colour, with ripe strawberry on the nose. The medium-dry palate has tart red apple, ripe raspberries and strawberries with a balancing, refreshing acidity on the finish.

Food Match

A lovely apéritif or brilliant with any kind of spicy Indian or Asian cuisines.
