— Marlborough, New Zealand

Vibrant upfront wine with crisp and tropical aromatic joy.

Decanter World Wine Awards Bronze 2023

Production

Sourced predominantly from grower vineyards in the Fairhall, Renwick and Waihopai sub regions of Marlborough. Clean juice was fermented in stainless steel tanks with selected yeast strains to maintain aromatic purity. The wine was allowed to build additional mouthfeel and texture through extended lees aging post fermentation.

Tasting note

This wine is quintessentially Marlborough in profile with bright aromas of guava, citrus fruits, and sweet crushed herbs. The palate is elegantly balanced with soft and fresh aromas carrying the fruit flavours to a long, pure finish.

Food Match

Enjoy with fresh seafood, summer salads and fine Asian cuisine.
