Pequeñas Fermentaciones Naranjo Torrontés/Moscatel, Valle de Cafayate [Orange Wine] 2024

ABP0252024

El Porvenir de Cafayate

— Salta, Argentina

El Porvenir's march into the future continues with the 'Pequenas Fermentaciones' range of small, experimental wines. Naranjo Torrontes/Moscatel heralds a remarkable reinvention of 80 year old vines into a delightfully contemporary orange wine

Production

This wine was made with Torrontes and Pink Moscatel planted in 1945. The grapes were fermented in contact with the seeds and skins in concrete eggs for six months.

Tasting note

The subtle aromatics of this accessible orange wine, lead to a burst of flavour on the palate which is alive with texture, clementines and citrus oil zestiness. The heady exotic, lychee aromatics and natural richness of the two varieties, are beautifully offset by the natural acidity and sandy texture of the orange wine making process. A genuine orange wine.

Food Match

Try with roasted cauliflower or grilled halloumi dishes.
