Aliança Reserva Branco, DOC Bairrada 2023

PAL0082023

Bacalhôa

— Bairrada, Portugal

A blend that just works - the Atlantic climate of Bairrada has produced another fresh and vibrant wine based on these two indigenous Portuguese varieties. Versatile, refreshing and delicious.

Production

A blend of native grapes Maria Gomes (otherwise known as Fernà£o Pires) and Bical which are the predominant white grapes of the region. These are cultivated in clay and limestone soils. Macerated for 12 hours, followed by alcoholic fermentation in stainless steel at 16 degrees - to preserve the delicate fruit aromas and flavours.

Tasting note

Candied lemon peel aromas lead onto a textural palate with savoury characters, lemon citrus acidity, a hint of tropical fruit and a mineral twist.

Food Match

A perfect match for seafood and pasta salads

ABV:
13.00%

Case/Bottle Size:
6x 75cl

Closure:
Cork
