Le Petit Chat Malin Blanc, Vin de France 2024

FPB922V22024

Maison Boutinot

— Languedoc, France

A scrumptious southern French blend; one of our finest feline tipples.

Production

Predominantly Grenache Blanc with Marsanne, Roussanne and Viognier. The grapes grow in the Languedoc region of southern France, where proximity to the sea, and varied altitudes offset the hot, sunny days, to give grapes juicy fruit flavours and natural complexity. Immediately after picking at optimum maturity the grapes are pressed and undergo cold fermentation. Malolactic fermentation is blocked in order to preserve the acidity in the wine.

Tasting note

This textural dry white is bright and beautifully balanced. With fresh fruity flavours and aromas shining through, this is an easy-drinking wine that can be enjoyed all year round.

Food Match

Serve chilled with white meats, fish or simply lap it up on its lonesome. Some particularly good matches include baked chicken and apricots, coronation chicken and skate with caper and butter sauce.
