Shannon Ridge Chardonnay, Lake County AVA 2023

SFW0012023

Shannon Family of Wines

— California, USA

At elevations peaking at 2,300 feet, the organically farmed vineyards offer distinctive mountain fruit with both intensity and elegance.

Production

Volcanic soils, intense sun exposure, and temperature variations result in complex, balanced, full-bodied wines. High Valley fruit adds lively citrus flavours and bright acidity, grapes from Red Hills contribute generous, ripe fruit character balanced by the grassiness and mineral tones of fruit from Big Valley.

Tasting note

Brimming with ripe pear, green apple, melon and citrus flavours accented by lightly toasted coconut and caramel notes culminate in a long, juicy and fresh finish.

Food Match

Perfect with buttery, warm chicken and all the trimmings. Also great with crispy pork belly with apple.

ABV:
13.50%

Case/Bottle Size:
12x 75cl
