2021 Vintage

Casa de Vila Nova

— Vinho Verde, Portugal

Decanter World Wine Awards Silver 2022

An approachable and fruit-driven style of Alvarinho offering great value compared to its Spanish cousin across the border.

Production

Casa de Vila Nova is located in the sub region of Sousa, the Vinho Verde Demarcated Region in the North of Portugal, the vinho verde lands are exposed to the Atlantic Ocean winds and influence. Soils, microclimate, grape varieties and the unique characteristics of the wine culture, distinguish it from all other wine regions of the world. The grapes are harvested by hand in 20 kg boxes that are quickly transported to the winery where the grapes are destemmed then a soft pressing takes place and fermentation in temperature controlled vats.

Tasting note

Bright citrus aromas and a fresh, lively palate with ripe, limey flavours, textural stone fruit and an appealing softness but still the balancing minerality characteristic of this variety. As is typical, this is a touch riper than its Spanish cousin from north of the Miñho river.

Food Match

A good match for chicken salads, fish and sushi. Or perhaps Vietnamese meatballs.
