Zahel Orange T [Organic and Biodynamic] 2023

ZAH0092023

Weingut Zahel

— Wein, Austria

As far as we know the only mono-varietal Orangetraube in existence. Not officially on the DAC register of permitted varieties so the name on the label is shortened to 'OrangeT' and they're not allowed to print the vintage

Production

Only stainless steel is used here to maintain freshness and brightness.

Tasting note

Orangetraube is closely related to the Traminer family and those typical intense peach, apricot and honeysuckle notes are on display here.

Food Match

Works very well with clean spiced Thai dishes.

ABV:
12.50%

Case/Bottle Size:
6x 75cl
