Argentinian Malbec, Mendoza (20 litre Keg) 2024

Azul Y Blanco

— Mendoza, Argentina

A vibrant and food friendly Malbec in a keg!

Production

The Malbec for this keg is from a mosaic of blocks across Mendoza's finer upland wards that naturally stamp their flavour on the wine. Harvested by night, then crushed into steel fermentation tanks with micro-oxygenation techniques to capture the full aromatics of the mountains, whilst retaining depth of colour. 100% unoaked for clarity of expression, the winemaking is simple because the viticulture is fastidious, and we keep that balance to ultimately benefit the purity of the wine.

Tasting note

With lifted aromatics and a bright, brambly palate this is a really appealing expression of a classic Malbec, a deliciously vibrant wine.
