Production

Made with 100% Grenache Blanc grapes from Swartland. Grenache Blanc thrives here, on deep koffieklip" soils where production is low due to dryland growing conditions. The combination of clay mixed with small stones gives good water retention while allowing the roots to penetrate deep into the soil. Cool Atlantic breezes shape the grapes' expressive freshness.

Tasting note

Ripe, peachy aromas on the nose, gently spicy with notes of apricot and dried mango. A pithily generous palate, full flavoured and fleshy with a crisp salinity on the finish.

Food Match

Creamy pasta and poultry dishes, grilled fish or a lemon risotto.
