Cave de l'Ormarine Villemarin Rouge, IGP Collines de la Moure 2024

FOR0092024

Cave de L'Ormarine

— Languedoc, France

Bright, medium-bodied southern red with plenty of character.

Production

Produced from Syrah, Carignan and Grenache grown on the limestone-clay slopes of Cournonterral and Villeveyrac in the Herault. Mechanical harvesting followed by destemming and 'maceration a chaud' before fermentation, aging in tank, no oak.

Tasting note

Lifted, sweet bramble and raspberry aromas with a hint of dried herbs on the nose followed by more crunchy flavours. The palate is generous, with slightly savoury red cherry flavours and a good structure balanced by a pleasant freshness.

Food Match

Grilled chicken, herby sausages, or great for a BBQ and can be served slightly chilled.

ABV:
12.50%

Case/Bottle Size:
6x 75cl

Closure:
Please Select
