Cavit

— Trentino, Italy

A delicious northern Italian Gewà¼rztraminer, showing a balance of ripe fruit and exotic characters. Enjoy with or without food.

Production

The Gewà¼rztraminer grapes are hand-picked from the hills around Roveré della Luna, Trento and in the Valle dei Laghe. In the winery the grapes are pressed gently, then fermented and refined in stainless steel.

Tasting note

A typically 'Gewurz' aromatic nose with exotic, tropical notes. Floral and perfumed on the palate with pronounced lychee characters, vibrant citrus acidity, touches of white spice and a ginger kick on the dry finish.
