Montresor Campo Valentino, Lugana DOP 2023

IMO0682023

Giacomo Montresor

— Lombardia, Italy

Good example of one of northern Italy's most in vogue white wines.

Production

Grapes are sourced from the Lugana and Peschiera del Garda areas (north-west of Verona). The grapes are softly pressed with a short maceration on the skins and fermented at a low temperature in stainless steel tanks. The wine rest for a few months in stainless steel before being bottled.

Tasting note

Ripe aromas with lightly herbal notes. The palate is flavoursome, forward and textural with good concentration of stone fruit and gently nutty characters. Beautifully balanced by a dash of lime and taut acidity on the finish.

Food Match

Ideal with light starters and fish dishes.
