Herrenhof Lamprecht Pinot Noir Opok, Vulkanland [Organic] 2021

LAM0022021

2018 Vintage

Herrenhof Lamprecht

— Styria, Austria

'I want craftsmanship perfection in wine, without additives, in the spirit of natural wine. As it used to be – real, but with modern understanding and without esoteric swirling; Only this is wine from Herrenhof'.

Decanter External 2025

Production

'Opok' sounds very similar, if not the same as 'Ponca' in Slovenia... high pH, well drained, marl/sandstone soils which encourage relatively high malic acid levels in the wines.

Tasting note

Satisfyingly flavoursome Pinot with nice complexity and a very fine and polished stream of energy giving length and interest at the finish.
