Pyren Vineyard Sauvignon Dunk, Pyrenees, Victoria 2022

APY0302022

Pyren Vineyard

— Victoria, Australia

Production

Fermented on solids and rested in not quite full, seasoned French barriques (15-20% ullage) for about 18 months. Blended with 8% 2021 Dunk, in what is their first composition from something of an infant Solera system in the making. Bottled without filtration.

Tasting note

Savoury notes of roasted walnuts that are backed up with deep flavours of honey and spiced orchid fruits.

Food Match

A perfect companion to a thick slice of Comté

ABV:
14.00%

Case/Bottle Size:
6x 75cl
