Estampado Malbec Bonarda, Mendoza 2024

AVE122X2024

Boutinot Argentina

— Mendoza, Argentina

A vibrant red blend of Mendoza's favourite red varieties, the label is equally animated, depicting Mendozancontempoary and classic culture.

Production

This wine marries the best of Mendoza’s widely planted cultivars. Grapes such as Bonarda and Malbec have long been favoured in the Barrancas region and have been well suited to the warm dry climate. Whilst Malbec stole the limelight, lots of these vineyards have become older and produce excellent fruit. These grapes are co-fermented in stainless steel and then spend time in concrete where it’s tannin and acidity softens before the wines’ release.

Tasting note

With lifted aromatics and a bright, brambly palate this is a really appealling expression of a classic Mendozan blend. Bonarda is dark and juicy, freshened by the gently tart Cab with the aromatic lift of Malbec all making for a deliciously vibrant wine.

Food Match

This versatile wine pairs well with pizzas, pasta dishes and grilled meats.
