Diez Siglos de Verdejo

— Rueda, Spain

Decanter World Wine Awards Silver 2023

A delightful fresh, zesty and characterful Organic Veredjo from the north of Rueda. This is a Verdejo with extra palate weight and richness, but with plenty of acidity to balance it.

Production

Produced from the small vineyards surrounding the winery which are organically cultivated. The wine is fermented in temperature-controlled stainless steel tanks, and kept on its lees for 3 months, then rested before bottling.

Tasting note

Fresh citrus and herbaceous characters on the nose. The palate has ripe stone fruit and pear notes and an appealing texture. The finish is bright with crisp and zesty lime acidity.

Food Match

Drink with grilled or fried fish, herby summer salads, goats cheese and Mexican dishes.
