# Vila Nova Arinto, DOC Vinho Verde 2024

**PVN0202024**

*Casa de Vila Nova*

*— Vinho Verde, Portugal*

Single varietal Arinto - Vinho Verde's zesty and freshest grape.

2019 Vintage

Decanter World Wine Awards Silver 2022

## Production

The indigenous Arinto grapes are cultivated in clay soils with some granite - and the vineyards experience plenty of rainfall due to the Atlantic climate. After harvesting the grapes are fermented in stainless steel under controlled temperatures.

## Tasting note

Bright citrus characters on the nose. The palate is fresh with zesty acidity, lemon sherbet, hints of peach and grapefruit, and a pleasant minerality on the finish. Arinto is known for its high acid and racy and refreshing style.

## Food Match

Perfect with all manner of fish and seafood - such as scallops, crab or lobster in a citrus butter

ABV:
12.50%
