Gradis'ciutta Pinot Grigio, Collio DOC [Organic] 2024

IGC0012024

Gradis'ciutta

— Friuli, Italy

This is a delightful expression of Collio DOC Pinot Grigio - the grape has thrived here on the hilly slopes of the region since it was introduced in the 2nd half of the 1800s. It has a beautiful depth of colour, and the flavour to match, a real step up in style - concentrated and textural.

Production

The 100% Pinot Grigio grapes are harvested, softly pressed, and macerated for 24-48 hours at low temperatures. Then the must undergoes temperature-controlled fermentation in stainless steel, and the wine remains on fine lees for around 6 months until bottling.

Tasting note

Expressive nose of baked pear, savoury herb and floral notes with hints of sweet spice. Ripe peach and melon flavours on the palate with a rich and savoury texture and a lightly nutty finish.

Food Match

Enjoy with baked fish dishes, such as Capesante Gratinate - scallops baked in their shells with butter, parsley, breadcrumbs and onion.
