Production

Produced from 100% estate-grown Albariño sourced from the warmest plots of Finca Tremoedo vineyard in Vilanova de Arousa - just a kilometre from the sea. The vines are around 35 years old, and are pergola-trained in sandy granite soils. Grapes are hand-harvested into 17kg crates. All free-run juice, with long skin contact (12 hours) and fermentation in stainless steel using indigenous yeasts. The wine is aged on fine lees for 8 months.

Tasting note

Fresh almost tropical aromas then stone fruit and citrus on the palate with a creamy texture, mineral notes, vibrant acidity and classic saline characters. Quite ripe and complex in style but with fresh balancing acidity and a classic saline character. This is an absolute benchmark Albariño from one of the top producers - the '23 vintage being oe of the best in recent memory, according to winemaker Diego Ríos.

Food Match

Grilled fish and seafood, a near perfect match.
