Isola dei Limoni Vermentino, Terre Siciliane IGT 2024

IAV4002024

Adria Vini

— Sicilia, Italy

A vibrant and expressive Vermentino from Sicily's west coast, where many of the vineyards face the sea to benefit from light reflected from the waves. It's named after the delicate white flower of the lemon tree.

Production

Vermentino thrives near the sea, such as on Sicily's west coast where these grapes are cultivated - also the source of some of the island's best Grillo. Fermentation is in temperature controlled stainless steel tanks followed by a short period on fine lees.

Tasting note

Ripe stone fruit aromas with preserved lemon characters and floral notes. The palate has apricot, citrus peel and grapefruit pith, an appealing texture and minerality, fresh acidity and a gently savoury finish.

Food Match

Delicious with fish and seafood, and simple pasta dishes.
