# Domaine Daniel Séguinot Petit Chablis, AOP Petit Chablis 2023

**FDS0102024**

*Domaine Daniel Séguinot et Filles*

*— Burgundy, France*

This is Petit Chablis that teaches you a life lesson; it is altogether more serious than its appellation would lead you to believe.

## Production

Unlike the rest of Burgundy, of which Chablis is the most northerly part, Chablis has four appellations and not three. There used to be three until 1944, when Petit Chablis was created to account for the newer vines being planted on top of the hills with Portlandian limestone soils.

## Tasting note

Lovely, ripe stone fruit on the nose gives way to a more linear apple, citrus and mineral character on the palate. Pleasant texture is contributed by time spent on the lees giving breadth to the wine and a bright lick of acidity on the finish make this a delicious, well rounded Petit Chablis.

## Food Match

Croque monsieur.
