Authentic Veronese Appassimento from the classic Valpolicella varieties, predominantly Corvina, dried for 30 days and aged 6 months in oak.

Production

Produced from Corvina, Corvinone and Rondinella grapes harvested from hillside vineyards north of Verona. 'Appassimento' refers to the process by which the grapes are dried for a few months before being pressed and vinified - this technique is more common in the Veneto than elsewhere in Italy. In this instance the grapes are dried for 30 days before vinification, and the wine spends 6 months in oak. The resulting red is rich with some residual sweetness.

Tasting note

Bright berry and black cherry aromas, and a touch of spice. The palate has all of Valpolicella's appealing fresh cherry and ripe bramble fruit, with the weight and complexity typical of Appassimento wines. Supple tannins lead to a finish of delicate sweetness, offset by fresh acidity.

Food Match

Great with barbecues, slow-cooked and caramelised meat dishes, or strong-flavoured cheeses.
