Cave de Turckheim

— Alsace, France

The T range represents the very top cuvées from this esteemed Alsace producer.

Production

Cave de Turckheim's 'T' wines are their best expression of the two great Alsacian varities, Pinot Noir and Riesling. Produced from selected low-yielding parcels of Grand Cru vineyards grown on granite soils, grapes are hand-harvested and spend at least 12 months oak barrels on their fine lees.

Tasting note

Great typicity, depth and balance, with aromas of vanilla, cherry and blackberry.

Food Match

Game, lamb dishes and a variety of cheeses.
