Barbara Öhlzelt Verjus Senza 0% NV

Weingut Barbara Öhlzelt

— Kamptal, Austria

Makes de-alcoholised wines look like a thoroughly silly concept.

Production

Exactly the same as for the Verjus Spritz except that this is made from under-ripe Gelber Muskateller grapes and therefore doesn't need the addition of any syrop for 'adjustment'. As pure and fresh as it comes ... Grape juice and sparkling water ... that's it. Bloody fabulous ... the proper way to do zero alcohol when you want/need to.

Tasting note

Crisp and tasty fizzy Gelber Muskateller ... zero alcohol.

Food Match

Whatever you like ... or with nothing else at all... just enjoy.
