Château de Pocé Sauvignon Blanc, AOP Touraine 2024

FPC955PC2024

Pierre Chainier

— Loire, France

Classic, bright, Touraine Sauvignon Blanc.

Production

After gentle pressing, the must is allowed to settle in cool tanks for a short period before the clear juice is racked off into further steel tanks to ferment along with the rest of the filtered juice. Fermentation is carefully monitored to avoid malolactic conversion in order to preserve the bright, crisp Sauvignon Blanc aromas. The wine is kept on fine lees for three to six months before filtering and bottling.

Tasting note

Fruity, fresh grapefruit and orange aromas with pleasant weight, pithy texture and zingy acidity.

Food Match

Ideal with appetizers, seafood and of course, goats cheese.
