# Wildeberg Terroirs Sauvignon Blanc, WO Stellenbosch 2023

**SBO5052023**

*Wildeberg*

*— Stellenbosch, South Africa*

Wildeberg Terroirs is an expression of the most exciting vineyard blocks we work with in the wider Coastal Region, in this case from the steep slopes of the Simonsberg.

## Production

From older vines that cling to the Simonsberg in the tiny, mountainous ward of Banghoek within Stellenbosch. Dry grown vines grow thin and weedy on these vertigionous slopes. The fruit is hand-picked, crushed then naturally fermented at Wildeberg.

## Tasting note

An elegant, linear Sauvignon with ripe yet restrained fruit on the nose and citrus, starfruit and gently herbal, minty notes. The taut, complex palate combines blackcurrant leaf, bay, wild thyme and juicy grapefruit characters. Good concentration is backed by a seam of minerality with lovely purity of fruit on the finish.

## Food Match

Delicious with brightly-flavoured seafood dishes, Thai salads, citrus dressings.
