Alberca Single Estate Malbec, Uco Valley 2024

ARB0092024

Azul Y Blanco

— Uco Valley, Argentina

Lucid, juicy Malbec from a mature vineyard in Alto Agrelo, 1,200m above sea level.

Production

Produced from 25 year old vines in the Alto Agrelo district of Mendoza in the rain-shadow of the Cordon del Plata. The unwooded Malbec is vinified in stainless steel to preserve the freshness and brightness of the fruit.

Tasting note

A really pure expression of Malbec, deep red almost purple in colour and wonderfully aromatic with lifted violet, red currant and cassis notes. The finish is silkly smooth with soft tannis and refreshing acidity.

Food Match

Tastes great chilled or with a juicy steak, spicy chorizo and bean stew or a veggie smoked paprika lentil stew.
