Giacomo Montresor

— Veneto, Italy

Part of Montresor's organic 'Bio' range of organic, characterful and contemporary wines - this Corvina is bright and berry-fruited.

Production

The Corvina vines are cultivated organically in the Verona region. After harvesting the grapes are destemmed and macerated on the skins in stainless steel at 18ËšC for 15 days.

Tasting note

Vibrant aromas of red berry fruits, with floral notes and hints of tangerine zest. The palate has fresh redcurrant and cherry characters, bright acidity and light, supple tannins with hints of subtle smokiness.
