Cave de Turckheim Riesling, AOP Alsace [Organic] 2022

FAL2662022

Cave de Turckheim

— Alsace, France

Bright, zippy, lip-smacking Riesling.

Production

Cave de Turckheim has been a pioneer of organic viticulture in Alsace, actively supporting a number of its growers' decisions to convert in 2008. These winegrowers have revived ancestral practices, tilling the soil and undertaking work that facilitates the elimination of weeds and helps combat disease. Natural fertilisers are also used (nettle, horsetail, comfrey and dandelion), fortifying the vines and increasing their natural resistance. Organic winegrowers meticulously observe their vines, enabling them to intervene in the right place and at the right time, rather than treating the plants systematically. With the first vineyards achieving organic certification in 2011, Cave de Turckheim now has 35ha of certified vineyards - the largest organic vineyard holdings in Alsace. Vinification is in stainless steel tank with fermentation at 19°C.

Tasting note

The nose is subtley mineraly with delicate lime aromas. On the palate the wine is broader with more lime and ripe lemons and bracing acidity.

Food Match

Grilled seafood covered in lemon juice. Or try with goats cheese instead of a Sauvignon.

ABV:
12.50%

Case/Bottle Size:
6x 75cl

Closure:
Cork

Category:
Organic/Sustainable

Appellation:
AOP Alsace

Winemaker:
Daniel Gerold

Grape Varieties:
Riesling 100%

Suitable for:
Vegan

Bottle Barcode:
3274550512864
