Laberinto Arcillas Pais, D.O. Colbún 2024

CLA0052024

— Limari Valley, Chile

The single vineyard, 57 Rocas Cabernet Sauvignon is directly informed by the terroir of the Maipo landscape. A structured wine the tells the story of the Alto Maipos potential, as well as the winemaking expertise required to realise it.

Production

The grapes come from a single 0.5 hectare plot, facing north on a steep slope overlooking Lake Colbún. The vines were planted in soil with a strong granitic participation, resulting from the fracturing of rock in the Andes Mountains. Harvested by hand early in the morning. Macerated for 16 days in amphorae and concrete tanks. Native yeasts are used, and the wine is kept on its lees for 8 months without mechanical or chemical intervention. Unfiltered.

Tasting note

Tobacco, blood orange, earthy notes on the nose, and tip toeing a delicious tightrope between the posh and the feral with perfect poise and considerable style.

Food Match

Due to its rich tannin, it is a great accompaniment to Chilean traditional cuisine, such as potato pie, casserole, lentils with bacon and other legumes.
