Laberinto Cenizas Pinot Noir, D.O. Colbún 2025

CLA0062025

— Limari Valley, Chile

The single vineyard, 57 Rocas Cabernet Sauvignon is directly informed by the terroir of the Maipo landscape. A structured wine the tells the story of the Alto Maipos potential, as well as the winemaking expertise required to realise it.

Production

The vineyards planted in the southeast, in the most remote sector of the vineyard. Fermented in concrete tanks with native yeasts at controlled temperatures. Only a few stompings and total maceration of 18 days, the wine is then racked into 400-liter French barrels for 8 months, with minimal intervention and bottled unfiltered.

Tasting note

A deeply soulful, beautifully textured wine. Rich aromas with floral notes of rose, laurel buds, and red fruits. On the palate, it reveals the native trees abundant in the area.

Food Match

Confit duck on a bed of lentils - sensational!
