Record Sun Shiraz, South Eastern Australia 2025

GAU0302025A

Boutinot Australia

— South Eastern Australia, Australia

A wine that celebrates Australia's best-loved variety, Record Sun is juicy and bright.

Production

The creation of this wine was a judicious blending exercise to marry aromatics and lift with a generous, velveteen palate. Grapes are sourced from vineyards across Southeast Australia. They are picked at night to avoid high daytime temperatures and crushed immediately after picking. Temperature-controlled fermentation avoids extraction of harsh tannins and maintains the juicy fruit flavours.

Tasting note

Record Sun captures Southeast Australia's essential joy. Soft and juicy plummy fruit flavours are balanced by smooth, savoury tannins.

Food Match

Enjoy with spicy red meat dishes like kofta or tagine, or grilled vegetables and halloumi.
