Bottega Vinai Pinot Bianco, Trentino DOC 2025

ICV1572025

Cavit

— Trentino, Italy

A great addition to the Bottega Vinai range, Pinot Bianco produces some of the most interesting wines in northern Italy and this is no exception.

Production

The Pinot Bianco vines are cultivated in the northern Lake Garda area and on the Brentonico plateau. After harvesting and careful selection of the best grapes in the vineyard, vinification takes place with a brief skin contact. Fermentation and refinement are in stainless steel.

Tasting note

Fresh aromas of yellow apple and white flower with nutty notes. The palate has ripe stone fruit balanced by an appealing mineral character giving texture, with crisp citrus acidity on the long finish.

Food Match

Drink with grilled white fish, calamari or creamy mushroom risotto
