Production

From a low yielding (40 hl/ha), 550m altitude 1.3 hectare vineyard in Altavilla Irpina in the heart of the Tufo zone. Vines are guyot trained in sandy-silt soils with dark clay streaks. Grapes are harvested at the start of October and are whole bunch pressed, followed by fermentation with selected yeasts in stainless steel. The wine spends 12 months on fine lees in stainless steel, and a further 12 months in bottle.

Tasting note

Savoury, nutty aromas with notes of ripe stonefruit, citrus and a hint of white spice. The palate is taut and linear, with saline acidity balancing lightly honeyed fruit leading to a long, mineral finish.

Food Match

Perfect with seafood, or perhaps grilled sea bass or sole. Also a good match for simple tomato and mozzarella pasta dishes.
