NHE0402024

Heaphy Vineyard

— Nelson, New Zealand

The only single vineyard Montepulciano Rosé from Moutere's clay loams.

Production

Grapes are hand-picked and destemmed at full ripeness. Fermentation in stainless steel tanks controlled at 14C to retain fruit intensity, and colour. The wine is matured on light lees over winter. We bottle this maceration rosé in spring, ready for summer enjoyment.

Tasting note

Brightly juicy, strawberries and raspberries. Tangy fruit freshness on the palate.

Food Match

Pair with sunshine and paella, or buffala mozzarella and tomato salad.
