Paarl Heights Chenin Blanc, WO Paarl 2024

SAB0062024

2019 Vintage

Boutinot South Africa

— Paarl, South Africa

Decanter World Wine Awards Silver 2022

A delicate and well balanced Chenin with depth and concentration from old, unirrigated bush vines surrounding Paarl Rock.

Production

This Chenin Blanc is sourced from vines grown on sandy loams over granite bedrock, the classic Cape soils type. No irrigation is used in the vineyards and very little crop control is needed due to the age of the vines naturally restricting yield. Produced from only free run juice and fermented on skins in stainless steel tanks. The wine is left on fine lees for an extended period for greater palate weight and mouthfeel.

Tasting note

A fresh, dry Chenin with broad appeal displaying zippy citrus aromas, lightly honeyed with vibrant fruit on the palate and well balanced by crisp acidity. Extended lees contact gives this great value wine some real weight and character.

Food Match

Perfect for picnics, or good with seafood and poultry dishes.

ABV:
12.50%
