Château de Plaisance Chenin Brut Nature, AOP Crémant de Loire [Organic & Biodynamic] 2022

FPL0092022

Château de Plaisance

— Loire, France

Vanessa's eagerly anticipated, first release of Cremant, very limited!

Production

100% Chenin Blanc vinified in a mixture of stainless steel and oak barrels for 15 months before blending and fizzification (traditional method of course).

Tasting note

Super bright, clean as a whistle - austere, but in a very smart way.

Food Match

Pan fried scallops with a fresh apple salad.
