Grande Courtade Chardonnay, IGP Pays d'Oc [Organic] 2024

FFG0072024

Famille Fabre

— Languedoc, France

Organically produced Chardonnay. The vineyards of which come from the Fabre family's vineyards known as 'La Grande Courtade'. Here, the wine cellar houses vats that were built by their ancestors in the 18th century and have been in use ever since.

Production

This grape proves its capacity to adapt to soils with high pH, where it is able to express great freshness even when bathed in sunshine. This wine was made from a blend of well-ripened Chardonnay and earlier-picked grapes with good acidity. Aged in oak, this Chardonnay is generous and represents excellent value for money. The grapes are harvested during the night and pressed immediately. 20% of the juice is vinified in barrels and aged for 6 months on its lees using battonage, and the remainder is vinified in stainless steel.

Tasting note

A charming, pure expression of Chardonnay that retains a lovely freshness despite its Southerly provenance.

Food Match

Simply grilled fish or pan roasted in some butter, and roasted vegetables.

ABV:
13.00%
