Pinot Noir that represents Winningen's terraced vineyards.

Production

The Terrassen Pinot Noir comes from the oldest Pinot Noir terraces. Cultivated and vinified entirely by hand according to the philosophy of Daniel Fries. Hand-harvested, gravity-filled fermentation tanks. Spontaneous fermentation with the vineyard's own yeasts in an open vat. Daily overflow or punching down by hand and 16 months of aging in new and used barriques. Unfiltered.

Tasting note

Spicy slate notes, a silky tannin structure, and a long finish

Food Match

A nice bit of game would go down lovely. Duck or pigeon, or even some lamb.
