Weingut Messmer

— Pfalz, Germany

A delicious, approachable Pinot Blanc from the Pfalz region of south-west Germany.

Production

Produced from Weissburgunder grapes grown on the family's estate, along with some sourced from neighbours who they've worked with for around 30 years.

Tasting note

Delicately floral with aromas of pear, stone fruit and white spice. Ripe on the palate with more peach and pear flavorus with a subtle minerality.
