Henners Sauvignon Blanc 2023

EHN0652023

Henners

— East Sussex, Great Britain

A vibrant wine that's aromatic, crisp, and brimming with character.

Production

Sourced from a vineyard on the Essex-Suffolk border, the fruit was left to hang on the vine, allowing extra time to develop full ripeness. The result? A vibrant wine that's aromatic, crisp, and brimming with character. Macerated in the press overnight with extended cold settling, followed by a cool fermentation, 20% of the wine was fermented in second fill French barrels and left on lees for 3 months.

Tasting note

Expect classic Sauvignon aromas with a flinty, mineral edge that adds depth and a refreshing finish.

Food Match

Try with a poached chicken salad with spring vegetables and a herb vinaigrette.

ABV:
13.50%

Case/Bottle Size:
6x 75cl
