Felline Primitivo di Manduria, Manduria DOP 2022

IFL0022022

Agricola Felline

— Puglia, Italy

A food-friendly Primitivo with vibrant berry and cherry fruit balanced by the fine structure and minerality derived from the abundant iron rich soils of the area.

Production

The Primitivo vines grow in shallow red soils typical of the Manduria region, due to the high levels of iron oxides. Harvested at the start of September, the grapes are fermented, and then matured for around six months in French barriques.

Tasting note

Open, warming aromas of cherry, plum and damson. The palate has ripe fruits and silky, supple tannins with good depth of flavour from oak ageing. In a typical Felline style it ends bright and fresh with lifted acidity and a long finish.

Food Match

Enjoy with home-made pasta served with rich tomato sauce, or grilled meats

ABV:
14.00%
