Soumah of the Yarra Valley Hexham Viognier, Yarra Valley 2024

ASO0302024

Soumah of the Yarra Valley

— Yarra Valley, Australia

Exotic notes of white flowers, jasmine, and heady white stone fruit. A hugely classy Viognier.

Production

A drier and warmer winter, temperatures recording one-degree higher than typical. We were therefore thinking 'El Nino' and drought. Then came 75% more rainfall than normal from October through January withthe ensuring summer temperatures a degree lower than typical! We had some settled weather around early November, which allowed a great flowering and fruit set, laying the foundation for good yields. The overall cooler temperatures in summer produced excellent acidity which set up for minimal intervention ferments and wines of great length and structure. We presently score the vintage as one of the better in the last decade, but time will have the final say.

Tasting note

Peaches and apricot bouquet following through to a textured, rich, peach and ginger musk palate. It's all wrapped in stony minerality finishing clean with excellent length.

Food Match

Delicious with roast pork, swordfish, roast veg and goats cheese.
