Production

This wine comes from two growing AVA's within the boarder Central Coast region, Santa Barbara County and Monterey Country, all influenced by unique soil types and proximity to the Pacific Ocean and its cooling fog and coastal breezes. 80% of the fruit is sourced from Monterey County and 20% from Santa Barbara. 100% stainless steel fermented. 100% barrel aged with 10% in new French oak for 7 months.

Tasting note

Open with a floral and mineral character typical of Santa Barbara. Classically varietal with wild strawberry fruit, firm bright acidity and a fresh gentle mineral finish.

Food Match

Lamb or duck breast cooked pink, roasted duck with a cherry or redcurrant sauce.
